Playing Coach –Mordialloc Bowls Club

We have just lost the services of our appointed Coach, who has had to relocate to Queensland for family reasons. We now seek to quickly replace him and we aim to have this matter finalised by mid – August.

Who are we?

The Mordialloc Bowls Club has a 110 year history. We have 2 greens, a sand based 8 rink and a 7 rink carpet with good Sports Lighting.

We entered 3 teams of 16 and 1 of 6 in Bowls Vic Saturday Pennant in 2018/19 and two teams in mid-week Pennant. We also have 2 Night Pennant teams aimed at workers or newish bowlers

Grading?

We expect to have Division 1, Division 4 and Division 8 sides and 1x 6 a side. In mid-week pennant we will continue to enter 2 x12 a sides in the open competition. We will likely field two teams in the Night SE Electric Light Pennant.

Remuneration?

Available and negotiable and would be discussed when we meet you. We would expect the appointment be for 2 years with future options for both parties

The work?

Lead and Coach the Club in respect of Pennant Games. Coaching for new bowlers would be undertaken by Club Coaches. Specific attention is expected to be paid to players of lower grades who need to understand how pennant is played. As such, future discussions would be centred on “What will you do?”

Selection Criteria
